Fibre Internet and Phone Systems are Working – Attawapiskat Hospital

WAHA is proud to announce that the Attawapiskat Hospital's fibre internet and phone systems have been fixed and are now working. Members of the public can contact the Hospital's on its regular phone line at (705) 997-2150 for service if required. WAHA would like to thank the residents of Attawapiskat for their patience during this time.
