EMPLOYMENT OPPORTUNITY:

Position: Sonographer
Site: Weeneebayko General Hospital
Division: Clinical Services
Reports to: Director of Clinical Services
Status: Permanent Full-time

Weeneebayko Area Health Authority (WAHA) is now accepting applications for experienced professionals to fill the key role of **Sonographer**.

The Organization

Weeneebayko Area Health Authority (WAHA) is the leading health care provider on the western James Bay coast. WAHA comprises of hospitals in Moose Factory, Fort Albany, and Attawapiskat, with a Health Centre in Moosonee. WAHA also provides regional outpatient programs, as well as Paramedicine services in Moose Factory, Moosonee, Fort Albany, Kashechewan, Attawapiskat, and Peawanuck. The span of services, complexity of care needs in the region, and the depth of health integration has made WAHA a leader and a model of health care services in Northern Ontario. WAHA consists of 450 employees, a Physician team, many students, as well as community stakeholders. It is affiliated with Queens University and offers many educational opportunities for current and prospective team members.

Position Profile Requirements:

- Demonstrated ability to work within team, while supporting each member in their roles
- Excellent verbal and written communication skills and interpersonal skills
- Ability to adapt to new and fast-changing settings
- Ability to live in a remote and isolated community.

Key Responsibilities:

- Provides reception, clerical, and technical support for the Diagnostic Imaging Department
- Provides ultrasound, electrocardiogram and Holter monitoring services to patients upon referral from the medical staff in accordance with established policies and procedures of the Diagnostic Imaging Department. Training will be provided as needed.
- Must possess extensive knowledge of human anatomy and physiology, of ultrasound assessment, ultrasound equipment and infection control procedures.
- Training and experience working with computers, software and scanners.

Qualifications/Experience:

- Graduated from a recognized accredited college/university program in Diagnostic Medical Sonography.
- Member of the CMRITO
- Continuing education annually as required by the CMRITO
- Previous experience as a technologist in a hospital setting
- X-ray and/or mammography training is an asset
- English is essential for this position
- Ability to communicate in the local native Cree language is an asset

How to apply:

The successful candidate must provide a valid **Criminal Record Check** within a specified time frame.

Please apply in writing, providing three recent work references and their email addresses, quoting Competition #2020-091 by no later than 12 o'clock noon on June 9, 2020 to:
