Re: Special Announcement regarding the Weeneebayko Area Health Authority

To our communities:

Tomorrow there will be a special announcement from the Deputy Premier and Minister of Health of Ontario, Christine Elliott, and Minister of Energy, Mines, Northern Development, and Indigenous Affairs Greg Rickford about the future planning of our organization. Minister Rickford will be attending in person, and Minister Elliott will be attending virtually.

The announcement will be at 3:00pm on September 9, 2020 on the grounds of the Moosonee Health Centre. Due to restrictions resulting from Covid-19, we are unable to welcome guests in person.

As such, the event will be recorded and placed on Weeneebayko Area Health Authority's Facebook page once available at <http://www.Facebook.com/WAHA.ON.CA>.

I want to thank you for your support as we move forward in creating a centre of excellence in Indigenous health.

Sincerely,

Lynne Innes President & Chief Executive Officer
Weeneebayko Area Health Authority
