

# COVID-19 Testing

ከ ለመሆን ለጥቂት ወይንም የሆነ ሆስፒታል ውስጥ ለመገኘት

## COVID-19 Testing is available in your community.

የሆስፒታል ውስጥ ለመገኘት ወይንም ለጥቂት ወይንም ለሆስፒታል ውስጥ ለመገኘት

Who needs to be tested?

If you have developed the following symptoms:

- Fever (temperature of 37.8°C or greater)
- New or worsening cough
- Shortness of breath (dyspnea)
- Other symptoms of COVID-19 can include:
- Sore throat
- Difficulty swallowing
- Loss of a sense of smell
- Nausea, vomiting, diarrhea, abdominal pain
- Runny nose, or nasal congestion – in absence of an underlying reason

It's important that you are truthful and honest when you call the testing location. It is key to looking after our loved ones in the region.

If you have questions or symptoms of COVID-19, we recommend you call the number for the testing facility in your community and book an appointment for a COVID-19 test.

- COVID-19 testing is available at the Attawapiskat hospital located 972 Riverside East
- Call 705-997-2150 for an appointment.
- Testing is available onsite from Monday through Thursday from 1:00 p.m. to 3:00 p.m.

At any time, you can call TeleHealth Ontario at 1-866-797-0000.

ግንደታዎን ለመገኘት
