COVID-19 Testing

COVID-19 Testing is available in your community.

Who needs to be tested?
If you have developed the following symptoms:
• Fever (temperature of 37.8°C or greater)
• New or worsening cough
• Shortness of breath (dyspnea)
• Other symptoms of COVID-19 can include:
  • Sore throat
  • Difficulty swallowing
  • Loss of a sense of smell
  • Nausea, vomiting, diarrhea, abdominal pain
  • Runny nose, or nasal congestion – in absence of an underlying reason

It's important that you are truthful and honest when you call the testing location. It is key to looking after our loved ones in the region.

If you have questions or symptoms of COVID-19, we recommend you call the number for the testing facility in your community and book an appointment for a COVID-19 test.

• COVID-19 testing is available at the Fort Albany Hospital located at 13 Airport Road.
• Call 705-278-3330 for an appointment.
• Testing is available onsite Monday through Thursday from 1:00 p.m. to 3:00 p.m.

At any time, you can call TeleHealth Ontario at 1-866-797-0000.

Look after our loved ones by washing your hands, wearing a mask, and practicing physical distancing. If you are not well, stay home to protect others.

For more information visit www.waha.ca/covid-19 or the Weeneebayko Area Health Authority Facebook page or the Porcupine Health Unit’s website https://www.porcupinehu.on.ca
