

Together, let's look after our loved ones.

We Made Some Changes

Starting On June 14th

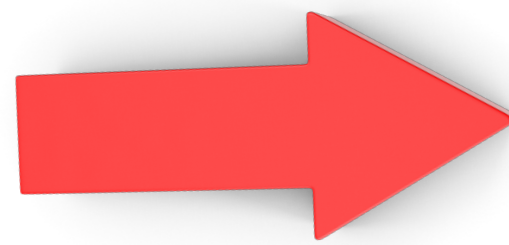

If you are an outpatient or staff head to the Flag-pole entrance.

During Business Hours 8:00 a.m. to 4:00 p.m., outpatient registration for ambulatory patients will be moving to the Flag-Pole Entrance.

Outpatient Services Include:

- Family Medicine*
- Dental*
- Diabetes Health*
- Mental Health
- Renal / Hemodialysis
- Operating Room / Day Surgery
- Rehabilitation (PT/OT)
- Diagnostic Imaging (X-ray, CT, Ultrasound etc.)
- Laboratory

***For these 3 departments, once you are screened, you proceed directly to the department to register. For all other departments, visit the flagpole entrance registration office after screening.**

Ambulatory patients means the individual is able to walk down a flight of 5-6 stairs.

Non-ambulatory patients requiring a wheelchair should enter at ER

Non-ambulatory patients will continue to enter through ER until further notice.

During Business hours, the ER entrance will be reserved for ER patients, and non-ambulatory patients only.
