

WAHA – Medical Transportation 2021 FALL Helicopter Transportation Schedule

Effective: November 3, 2021

Helicopter services to and from Weeneebayko General Hospital (WGH) are provided for Non-insured Health Benefits (NIHB) program patients and their escorts, Weeneebayko Area Health Authority (WAHA) business travelers and non-status patients attending appointments.

New info: COVID19 Screening for all Passengers on Expedition Helicopters

MOOSONEE PASSENGERS:

Prior to boarding Expedition Helicopters, you must:

- Be screened by Expedition Personnel
- Sign Passenger Screening Questionnaire form

MOOSE FACTORY PASSENGERS:

Prior to boarding Expedition Helicopters, you must

- Be screened - see Screener in the Emergency Department at WGH
- Sign Passenger Screening Questionnaire form and deliver signed form to WAHA Driver.
- WAHA Driver to provide signed form to Helicopter Pilot.

****Everyone that is traveling on flight 704 to Kingston must check in with Air Creebec at the Moosonee Airport no later than 2 p.m. for 3:00 p.m. departure. All Charter travelers must be at Liaison no later than 1:30 for screening. All passengers must provide valid ID to the ticket agent before boarding the flight.**

Remember:

- **The Helicopter runs on time and will not be delayed for someone running late.**
- There is a limited number of seats. Children without scheduled appointments cannot accompany clients (parents).
- No pets, alcohol or illegal substances are allowed.

Travel Warrants:

- All travelers must present a Travel Warrant to the driver.
- WAHA staff and business travelers must email their travel warrant at least two days in advance to WAHA-local-drivers@waha.ca
- Remember to have a copy of the Travel Warrant to show the driver as well.

Bags, luggage and parcels:

- Only one (1) carry-on and one (1) piece of luggage weighing no more than 25 pounds is allowed.
- Passengers are responsible for making alternate transportation arrangements for any extra bags/parcels weighing over 25 pounds (excluding business travelers who require tools to perform their job).
