## EMPLOYMENT OPPORTUNITY:

**Position:** Locum Dentist  
**Site:** Weeneebayko General Hospital/Coastal Communities  
**Division:** Clinical Services  
**Reports to:** Chief of Staff-Medical and Regional Dental Manager  
**Status:** Short - Term (2-4 Weeks)

T: 705-658-4544  
W: [www.waha.ca](http://www.waha.ca)

**Weeneebayko Area Health Authority (WAHA)** is looking for experienced professionals to fill the key role of a **Locum Dentist**. Currently we are seeking applicants to develop a locum pool to call on for future opportunities.

### The Organization

**Weeneebayko Area Health Authority (WAHA)** is the leading health care provider on the western James Bay coast. WAHA is comprised of acute care hospitals in Moose Factory, Fort Albany, and Attawapiskat, with a Health Centre in Moosonee. WAHA also provides regional outpatient programs, as well as Paramedicine services in Moose Factory, Moosonee, Fort Albany, Kashechewan, Attawapiskat, and Peawanuck. The span of services, complexity of care needs in the region, and the depth of health integration has made WAHA a leader and a model of health care services in Northern Ontario. WAHA consists of 450 employees, a Physician team, many students, as well as community stakeholders. It is affiliated with Queens University and offers many educational opportunities for current and prospective team members.

### Position Profile Requirements:

- Demonstrated ability to work within a multidisciplinary team
- Effective oral and written communication with excellent interpersonal skills
- Travel to all James/Hudson Bay region communities (6) to provide dental services
- Knowledge and skill in the application of dental surgery with vulnerable populations
- Motivated professional with a desire to work in a high-performance workplace setting

### Qualifications/Experience:

- Current license with the Royal college of Dental Surgeons of Ontario, in good standing
- Provide routine dental services
- Past experience in OR setting with patients under GA (preferred)
- Current certifications for the use of Nitrous and moderate sedation
- Past experience working with pediatric population
- Highly skilled in surgical extraction, application of stainless steel crowns, and amalgam fillings
- Past experience working in remote/ fly in communities
- Knowledge of Indigenous health issues as well as the geographic region of the James Bay coast is considered an asset

### How to apply:

The successful candidate must provide a valid **Vulnerable Sector Screen Check** prior to locum contract.

In order to be considered for locum opportunity applicants may contact Sandra Kioke, Senior Vice President and Chief Nurse Executive ([sandra.kioke@waha.ca](mailto:sandra.kioke@waha.ca)) or Precious Sutherland-Edwards, Executive Assistant to SVP/CNE ([precious.sutherland-edwards@waha.ca](mailto:precious.sutherland-edwards@waha.ca)) to request required application documents to be submitted.

The application(s) in lieu of a formal interview will include the following:

- Proof of Registration with RCDSO
- Copy of all relevant Certifications e.g., Nitrous
- Copy of Drivers License
- An updated CV to summarize your academic/work experience
- 3 References with contact information

For any further questions please feel free to contact Precious Sutherland-Edwards ([precious.sutherland-edwards@waha.ca](mailto:precious.sutherland-edwards@waha.ca)) Executive Assistant.
